Hi Sarah,

Yes, can you please help draft a response to reply within the 10-day period? Is end of December a reasonable timeframe to respond to his request? Can we push it into 2020?

Ruben,

Unfortunately it is.

This guy is a "community organizer" and has made it his mission to harass charter schools across LA. He has sent identical requests to other schools.

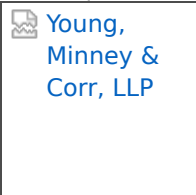

You will need to respond. You have 10 days to send an initial letter, and then a reasonable amount of time to search for, redact, and provide the documents. We can help you if you would like.

Best,

Sarah
